

- Draw attention to time at different points throughout the day e.g. 'it's 12 o'clock so time for lunch.'
- Use analogue clocks to support your child making different times at home. <u>Click here</u> to be taken to a fantastic interactive clock that your child can use to create different o'clock and half past times.
- Play different time-related games with your child such as 'What's the time Mr Wolf?'
- 4) Use different apps, which can be downloaded from the Apple or Android to support your child telling the time.
- 5) Make a paper plate clock that can be used to support your child in creating different o'clock and half past times.
