Update of Children's Photo Permissions

Dear Parents / Carers,

As a school, we are looking to update our system for children's photo permissions. We are looking to use Arbor as a way for parents/carers to opt in or opt out of providing permission for their child's photo to be used in different ways e.g. through social media or through class performances etc. If I could ask you to log on to your Arbor account and opt in or opt out of the different photo permission scenarios, that would be greatly appreciated.

If you have the Arbor app, the consent requests will show up on the homepage under notices. Further information regarding parental consents on Arbor can be found by following the link provided below:

[Seeing and updating my child's information on the parent portal](#)

Thank you for your continued support and I wish everyone a happy new year.

Regards

James Ridd

Deputy Headteacher
