Thursday 6th February

Dear Parents / Carers

We have arranged for the Year 6 children to visit the '**Lifeskills**' centre in Bristol on the morning of **Friday 28th February**. This is an excellent opportunity for the children to learn about the many hazards and dangers that are found in the home and their immediate environment, develop their awareness of hazards and provide them with appropriate strategies in case of emergency. The learning that they will take from the trip will provide them with key skills that they will refer to for the rest of their lives.

The school have attended the Lifeskills centre for many years and this trip always proves to be very popular with the children. We will need to leave school at 9am promptly to ensure that we arrive on time. As a result, please ensure that your child arrives at school by **8.45am** on the morning of Friday 28th February so that they can be registered in time to leave.

Thank you to The Friends who have kindly contributed to the cost of the trip and have covered the cost of the transport. The current cost is **£14.83** per child. Please provide permission for your child to attend and pay the voluntary contribution on Arbor by Tuesday 25th February. Whilst the cost is voluntary, if we do not receive enough voluntary contributions, we will sadly have to cancel the trip. If your child is registered as pupil premium, please contact the school office as we may be able to help with this payment.

The children will be required to wear school uniform for this trip. Due to the practical nature of the morning, it is important that all children wear trousers (rather than a skirt or shorts). We will not return to school until after 12 o'clock, so could all children please bring **a packed lunch to eat on our return to school**. Please notify us if your child is free-school meals and will require a packed lunch to be provided by us. The kitchen will need notice of this by Friday 14th February.

Many thanks
Miss Legg
Year 6 teacher
