What we have been up to:

Last term was a super busy time for the FRIENDS. We had the sponsored run, with which we are so happy so many families engaged with, and the children enjoyed it. As a thank you, we gave the children a non-uniform day and an Easter treat.

We had our Mother's Day pop up shop's and tuck shop. We hope all the Mum's and other special women in the children's lives felt very spoilt on Mother's Day.

Term 5

Easter bonnet competition – 22nd April

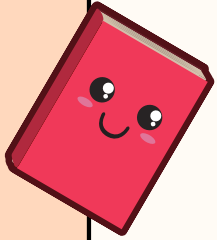

We kicked this term off with a fantastic Easter bonnet competition. They were all brilliant and it was so hard to choose a winner!

The winner of each year group and the overall winner received Waterstones book tokens each and all participants had a sweet treat from us!

Sports day – Monday 19th May

We provided ice lollies for all the children participating - well done to everyone!

Non School Uniform Day - 23rd May 2025

Thank you for all the donations of products for our rainbow tombola, they are fantastic!

We are really looking forward to our summer events where these will be put to good use.
