

Dear Parents and Carers

Swift Sports Coaching are delighted to be offering wrap around breakfast and after school clubs for the children of St Chad's Primary school, continuing in **Term 1**, commencing 1st September.

The Nest Wrap-Around Club aims to provide a fun, safe and positive environment for children to thrive and participate in a variety of sporting and creative activities. As well as providing parents and carers with extended child care after school with a 5.30pm finish, providing the peace of mind that children will be kept active and engaged by qualified and experienced staff. Children will receive a healthy snack upon arrival, and an additional nutritious snack throughout the session.

#### **Breakfast Club (7:30am - 9:00am)**

The breakfast club will operate from 7:30am - 9:00am (Monday to Friday). Children will have the choice to join structured organised activities or will have a space to enjoy quieter independent activities such as reading, colouring, crafts etc. We will encourage children to use the outdoor space (where appropriate and weather dependent) at the beginning of the session and then come in to have a breakfast food option, i.e. cereal, toast and a drink, before choosing a calming activity so that children begin school ready to learn feeling nourished.
