Local Walk

Dear Parents / Carers,

In Year 1 and 2 our topic of this term is 'Where is Patchway and how has it changed over time?' There is a large element of Geography in this topic and to support this learning we will be taking the children on a walk of the local area to look at the human and physical features around us and to identify features of an urban area.

Year 1 and Year 2 are planning to take this walk on **Wednesday 15th of October at 9:10 am.**

We should be out of school for about 1 - 1.5 hours (we will be stopping at a playground mid-walk). A rough idea of our route:

We will need some parents to support us on this walk so we can meet our adult to child safeguarding ratios; **if you are able to come along please message us on dojo.** If we get lots of messages we will pick names from a hat and give the parents who did not get to come along priority to help on our next event.

Please also let us know if you do not consent to your child coming on a local walk. We would be happy to talk to you in further detail.

Best wishes,

Mrs Jones and Miss Hunter
