

Congratulations

to our Amazing Jo Barrs!

Back in 2024 Jo set herself a huge personal challenge to run her first **ever** Marathon in 2025

On Saturday 27th September 2025, Jo completed an incredible 26-mile off-road marathon – through hills, mud, and everything nature could throw at her – all to raise funds for St. Chad's Patchway CE Primary School Friends association.

Thanks to Jo's dedication, and the generosity of our community, Jo has already raised **an incredible £630** towards creating a forestry School and creative play area for our children.

We are so proud of Jo – her grit, determination, and huge heart have inspired us all.

From everyone at the Friends of St Chad's and especially Ri

THANK YOU, JO!

You ran every step for our children – and we couldn't be prouder.

There is still time to donate at:
