Year 1 and Year 2 trip
Noah's Ark Zoo Farm

Dear Parents / Carers,

We are excited to share that we have planned a trip to **Noah's Ark Zoo Farm on Thursday 25th June**. This trip will support the science learning we have done throughout the year about different animal groups, their lifecycles and their differing habitats.

While we are there, we will also take part in a 30-minute workshop called 'Amazing Animals'. Noah's Ark says

"This popular 'lucky dip' style workshop involves meeting a range of up to three animals from around the world. Students will learn some fun facts and find out about the important role these animals play in their native habitats. There will also be a chance to explore some of our animal artefacts – can they work out which animals they used to belong to?"

The cost for this trip is **£20.39** per person and can be **payable all in one go, or in instalments, via Arbor**. If you are entitled to Pupil Premium Funding and would like some support in covering the costs, please contact the school office as they may be able to help. Please can payment be made by **Thursday 11th June**.

This trip will take place within the school day and drop off and pick up times will be as usual, unless we hit unexpected traffic, in which case you would receive an Arbor message on the day. **Children will need a packed lunch, full drinks bottle and snack**. If you want school to provide a packed lunch for your child instead, please let the office know by **Thursday 11th June**.

We will wear school uniform for our visit to Noah's Ark, but trainers instead of usual school shoes would be advisable due to the outdoor nature of the visit.

We will need parent helpers to come along with us to support. If you are available, please let Mrs Ives or Miss Hunter know ASAP.

Many thanks,

Key Stage One Team
