### Safer Internet Day 2026

Dear Parents / Carers,

On **Tuesday 10<sup>th</sup> February**, we will be participating in **Safer Internet Day**. This year's Safer Internet Day will focus on AI. Children in all classes will be learning about AI in an age-appropriate way and will be completing a variety of activities to ensure they know how to stay safe online.

Children in KS2 will be having an informative workshop with a member of the Child Exploitation Prevention team for Avon and Somerset Police. We will be inviting parents/carers to come and join the children to be part of these sessions. These sessions will be tailored to address the current issues with online safety for the children in our local area alongside support for how we can ensure our children are protected from issues that may arise on the internet.

The session will last one hour in total – 45 minutes with the parents and children followed by an extra 15 minutes with the parents on their own and the children will return to class.

Please see below for the timetable of these sessions.

1:30 – 2:30 Year 3 and Year 4

2:30 – 3:30 Year 5 and Year 6

Please let us know on Arbor if you wish to attend a session. We hope to see many of you there.

Kind regards,

Mrs Pryce  
Computing Lead
