### **Re: Whole School Electrical Rewire Summer 2026 / School closure**

Dear Parents/Carers,

I am writing to inform you that the Local Authority will be completing a whole school electrical rewire at St Chad's during the summer holiday this year. Due to the length of time it will take to complete the job and the need for the contents of the whole school to be packed up and moved out of the building (and then returned), St Chad's will be closed to all pupils for an additional 2 days either side of the summer holiday to enable the work to be completed.

As a result, the final day of the school year for all pupils will be **Wednesday 15<sup>th</sup> July 2026** (instead of Friday 17<sup>th</sup> July 2026 as previously published).

Please note that the Year 6 Leavers' Service will now take place on Tuesday 14<sup>th</sup> July, 1.30pm.

Teachers will send some learning home for children to complete during these days and bring back into school for their new teachers when they return to school in September. Next academic year, pupils will return to school on **Friday 4<sup>th</sup> September 2026**. Please see next academic year's dates attached below.

Due to the levels of Health and Safety involved, we are unable to provide wrap around provision during the holiday as our school site will be fully closed and only open to contractors.

We apologise, in advance, for the inconvenience this may cause.

Kind regards,

Steph Jenkins  
Headteacher
