

Swift Sports Coaching Breakfast & After School Childcare Club

Dear Parents / Carers,

Swift Sports Coaching is pleased to offer The Nest Wrap-Around Breakfast and After-School Clubs for the children at St. Chad's Primary School.

These clubs aim to provide parents and guardians with additional childcare options while offering a fun, safe, and supportive environment for children to engage in a variety of sporting and creative activities. The program is operated by qualified and experienced staff to ensure children remain active, engaged, and well cared for.

Breakfast Club

The Breakfast Club will operate from 7:30 AM to 9:00 AM, Monday through Friday. There will be a termly fee, a sibling discount option, and additional Ad-Hoc bookings. Fees are payable in advance at the start of each term. Termly bookings can reserve a place for 1 to 5 days per week on a consistent schedule throughout the term, such as every Monday and Thursday. Ad-Hoc bookings are available for individual days, up to 9:00 PM the day prior, subject to availability.

Children will have the opportunity to participate in structured, organised activities or enjoy quieter, independent activities such as reading, coloring, or crafts. We encourage outdoor engagement (weather permitting and appropriate) At the beginning of the session a nutritious breakfast including options like cereal, toast, and a drink is available feeling nourished and ready to learn. After breakfast, children can select their preferred activity to help them start the school day

There will be a termly fee, a sibling discount option, and additional Ad-Hoc bookings. Fees are payable in advance at the start of each term. Termly bookings can reserve a place for 1 to 4 days per week on a consistent schedule throughout the term, such as every Monday and Thursday. Ad-Hoc bookings are available for individual days, up to 12:00 PM on the day, subject to availability.

The club will operate on the school premises at St. Chad's Primary School. A member of the Nest team will accompany and escort children in Key Stage 1 to the after-school club room. Children in Key Stage 2 may walk independently to the room. Once all children are registered, they will have the opportunity to take part in a sport activity for the first hour. The Nest will then provide a selection of healthy snacks, including fruit, cereal bars, and toast, along with squash and water. After the snack and drink break, children can enjoy the remaining time engaging in activities such as games with friends, watching films, playing board games, participating in arts and crafts, structured play, and more. Spaces in the club are allocated on a first-come, first-served basis. Our goal is to provide a safe, enjoyable, and supportive environment for all children to thrive. Collection is available anytime between 3:30 p.m. and 5:30 p.m. from the Nest after-school club building.
