Pick up and drop off

Just a quick reminder of the voluntary one way system we have in place to help with congestion (especially during pick up and drop off). When leaving Cranham Drive, please turn right onto Standish Avenue and follow the road around. It will bring you back out onto Shellmor Avenue (turning left will take you back onto Stoke Lane). We would really appreciate it if you could help follow this system to make things easier

for everyone involved.

We are so unbelievably proud of our amazing pupils who have taken the time to take part in our 2026 challenge.

Thank you all so much!

You helped us raise an incredible:

£1,106.64!

Low-cost spring activities

As the days get longer and warmer, spring is the ideal time to enjoy some quality time together. Here are some easy, low-cost activities for families to try.

Make the most of warmer days

It's a great time to get outdoors and enjoy some local green spaces. Three Brooks Nature Reserve in Bradley Stoke, Willsbridge Mill in Longwell Green and Kingsgate Park in Yate all offer space to walk, play and explore, making them ideal for a low-cost family day out.

Make a spring art collage

Collect items like leaves and flowers and use old magazines and coloured paper to create a spring-themed collage.

Try a family bike ride

Dust off the bikes and explore traffic-free routes like the Bristol and Bath Railway Path, which runs through parts of South Glos and is suitable for all ages.

Visit a local farm

Spring is the perfect time to visit a local farm and spot some newborn animals. Grimsbury Community Farm in Kingswood is free to visit and has a café, play area and car park.

Plan a homemade Easter egg hunt

Hide a small number of eggs or clues around the home or garden. You can use paper eggs or swap chocolate for stickers, drawings or small toys.

Visit your local library

South Glos libraries are free to visit and you can stay as long as you like. Many will have free activities for children during the school holidays, making them a great spot for family fun. Visit: southglos.gov.uk/libraries

Hold a spring swap shop

Clear out your old toys, books or clothes and swap them with friends or neighbours. It's a fun, low-cost way for everyone to enjoy something 'new' and it's great for the environment too.

Grow something together

Make the most of lighter days by planting seeds in pots or small outdoor spaces. Easy growers include cress, sunflowers and herbs.

Mental Health Support Team (MHST)

Education Mental Health Practitioners (EMHPs) work as part of the MHST in your **selected schools**, either **1:1** or in **groups**. We are trained to provide **early** intervention, Low Intensity Cognitive Behavioural Therapy (**LI-CBT**), which is a type of brief talking therapy to help with **anxiety**, **low mood**, and other **wellbeing** struggles. It does take work so you need to **want to** work with us.

***We do not offer a crisis service.**

How can you access us?

Speak to a trusted member of staff in school who will work with the school **Mental Health Lead** (MHL) to make a referral to us.

OR

If you would prefer **not** to speak to a member of staff directly and think we are the right service for you, then complete a **self-referral** form by scanning the QR code or going to our website.

We will then meet with your MHL or review your online referral. Even if we are not the right service for you, we will still help your school to think about what options may be helpful.

If LI-CBT is suitable for you, then you will start meeting with your EMHP.

The MHST is a partnership between Off the Record (OTR) and CAMHS. We are working with **selected schools** across Bristol, North Somerset and South Glos.
