

Arbor Consents

Dear Parents/Carers,

As part of our communication and administration systems, we use an online platform called **Arbor**. This app allows us to share important updates, manage bookings, parents evening and to ensure we have accurate information for your child.

Please can you check and update your consents? These include permissions relating to things such as:

- photographs and video, including social media use
- medical or health information

It is **very important that these consents are completed**. The information you provide helps us to keep your child safe and ensures they can take part in all appropriate school activities.

If these consents are not completed, it may mean that:

- we are unable to include your child in certain activities or trips
- we cannot use photos of your child in school communications
- we may need to contact you separately, which can delay arrangements

You can update your preferences at any time through the Arbor app, so you are always in control of your choices.

Thank you for your support in helping us provide the best possible care and opportunities for your child.

Kind regards,
School Office

Please see your child's class BLOG for key dates and updates.

June 2026

Dear Parent / Carer,

Is your child interested in learning to play a musical instrument in September?

redMUSIC is pleased to continue offering weekly in-school **Guitar, Keyboard, Drums & Ukulele** lessons at **St Chad's Primary school**, for those in Years 2 to 6.

Please note if you have already put in an application for lessons, or your child is currently having music lessons, there is no need to reapply.

What does redMUSIC do?

We provide exciting music lessons which focus on getting hands on with the instrument using popular music, with theory following later. Our coaches have worked with thousands of children in many schools for over twenty years, with our methods proving successful in maintaining enthusiasm for the learning journey.

How much do the lessons cost?

- 'Group' lesson (1:4) - £7.70 per week (*guitar & ukulele*)
- 'Dual' lesson (1:2) - £9.20 per week (*guitar, ukulele & keyboard*)
- 'Individual' lesson (1:1) - £13 per week (*drums and all instruments*)

How can I sign up?

Apply online at www.redmusic.uk/apply. Places are allocated on a 'first come first served' basis and subject to availability, so please apply as soon as possible. For more information, visit our website or email admin@redmusic.uk.

We encourage you to see this as a journey of a whole year. Signing up to lessons does involve a commitment of at least a term, so it is essential that you are able to commit to your child receiving tuition. Four (4) weeks notice will need to be given if you wish to cease lessons.

Many thanks

Rich & Dan, Owners
