

Dear Parents and Carers,

Swift Sports Coaching is pleased to offer Breakfast and After School Clubs, including additional wrap-around care, for the children of St. Chad's Primary School, continuing into Term 1 starting September 1st.

The Nest Wrap-Around Club is designed to provide a fun, safe, and positive environment where children can thrive and participate in a variety of sporting activities. It also offers extended childcare after school until 5:30pm, giving parents and carers added flexibility. Our qualified and experienced staff will ensure that children remain active and engaged throughout the session. Upon arrival, children will receive a healthy snack, with additional nutritious refreshments available during the additional session.

Breakfast Club (7:30am - 9:00am)

The breakfast club will operate from 7:30am - 9:00am (Monday to Friday). Children will have the choice to join structured organised activities or will have a space to enjoy quieter independent activities such as reading, colouring, crafts etc. We will encourage children to use the outdoor space (where appropriate and weather dependent) at the beginning of the session and then come in to have a breakfast food option, i.e. cereal, toast and a drink, before choosing a calming activity so that children begin school ready to learn feeling nourished.
