Dear parents and carers,

We want to make it easier for residents to access and use online services, regardless of people's backgrounds and circumstances. Some evidence shows that households with children are more likely to struggle to do the things they need to do online. We are keen to understand this in more detail, so that we can work towards reducing the barriers that families may face.

We would be grateful if you could complete a short survey by **Friday 16th October**, so that we can hear from you about your experiences. Your answers will remain anonymous, and you have the option enter a prize draw for a chance to win one of five £10 shopping vouchers. If you have any concerns or wish to complete the survey another way, please contact South Gloucestershire Council by either calling 01454 868009 or by emailing consultation@southglos.gov.uk.
