Curious About AI

Tuesday 20th October
12.30pm – 2.30pm, at Patchway Community Centre

This workshop introduces Artificial Intelligence (AI) and explores how it can be used safely, responsibly, and confidently in everyday life.

It is designed for people with basic digital skills who would like to learn more about this rapidly developing technology.

By the end of the workshop, you will:

- Understand what AI is and how it works in simple terms
- Recognise some of the benefits and limitations of AI
- Know how to use AI tools safely and responsibly
- Feel more confident exploring AI for everyday tasks

A follow-on course is available for anyone who would like to learn how AI can be used in the workplace.
