• School classes • Bespoke sessions

Fun Something different Friendly Great value!

Book online www.cookstars.co.uk

"Fantastic birthday party organised for my daughter! The children were kept entertained at all times and the team were brilliant! Something completely different..."

It's
Party
Time!

Children's parties

Cook Stars offer a range of unique cookery party experiences or you may prefer something bespoke. We take care of the whole package so parents can sit back, relax and enjoy the occasion too.

All our parties include aprons and all the equipment and ingredients needed to cook up a treat; design your own chefs hat, invites and thank you cards, party games and even a full party buffet!

If you want us to take care of the cake and party bags we can! We offer a 'decorate your own' birthday cake and guests simply love our 'bake at home' cookie bag gift sets too.

High Tea

Make, bake and decorate delicious cupcakes to take home in beautiful cake boxes tied with a ribbon.

Guests make edible jewellery before a delicious high tea with hot chocolate and marshmallows is served.

Little Cookies

Perfect for younger guests or larger parties. We bring along freshly made cookies to decorate with our fantastic selection of icing, sprinkles and glitters.

Party guests can also make and bake the cookies themselves if requested.

Little Italy

Have fun weighing, kneading and rolling to make handmade pizza or calzone with your favourite toppings.

Guests make their own ice cream sundaes with toppings for pudding.
